"CREATING GREAT MINDS
AND BIG HEARTS
TO SERVE AND LEAD"

CCD OPEN HOUSE WITH FR ANTONY - OCTOBER 19, 2019

An inspiring testimonial by Perpetual Ajawara—CCD Parent of Kachi Ajawara (Level 3)

God showers on those who call His name. He works in mysterious ways and always continues to shed light on us beyond our limited mindsets and lifestyles. There is always a purpose and meaning behind any and all of His actions.

There is a small incident I would like to share that graciously reminds us that God always shows mercy on those who love Him. One day at Kachi's school, a young boy had a seizure. Kachi gathered a few other classmates and started to pray for the boy's good health and well being. He then approached a girl and asked her if she wanted to join their prayer group. Unfortunately, she refused saying that she doesn't believe in all of this. Furthermore, she stated that praying will not help the boy recover at all.

Once Kachi got home from school that day he narrated this incident to me. It struck me that some people simply do not understand the power of prayer and are not aware that God

saves those that call on Him. Later that night before going to bed, it was Kachi's turn to lead the prayer. He started off by forgiving the girl for her actions and then he prayed for the boy's recovery.

*Furthermore, I would like to thank all of our CCD teachers for the great work that they do, and also would like to encourage the parents to continue engaging their kids in youth ministry. Saint James Parish has the best youth ministry I have ever encountered; you will definitely be surprised how God works miracles through what our children learn from youth ministry and how it impacts the way they live their lives. My family will forever be grateful to God for bringing us to Saint James Parish. Also a big thanks to Father Antony for his continued guidance especially the bimonthly retreat he gives to the parents. God bless. **Ajawara's Family***
